Tuition

Dance Company tuition is billed in ten installments. The first installment is due upon acceptance into the team and the remaining nine installments will be billed monthly starting September 1st.

Tuition includes: costume, rehearsals, recitals/performances, and competition fees (if applicable).

Tuition does not include tickets to performances (where applicable), Releve Tank, or Dance Team Jacket (Jackets will only need to be purchased for those participants that need an updated size or are new to Dance Company).

Please note, in the event we are not able to operate Dance Company this Fall due to COVID-19, the first installment for competition and performance teams will be fully refundable.

Attendance

Dance Company is a serious commitment. Poor attendance not only impacts the dancers ability to learn technique and their routine, but can also negatively affect the rest of their team, so we expect participation in all rehearsals.

All absences for rehearsals must be reported to Miss Jordyn within 24 hours of their rehearsal time. Dancers with more than two unexcused rehearsals may be pulled from a Performance or a Competition.

Dancers who know in advance that they will be unable to dance in a performance or competition must notify Miss Jordyn as soon as possible and are still required to attend rehearsals. Dancers who miss one performance or competition could be pulled from the team without a refund.

Uniform

All dancers on CORE, Compete and Performance teams will need to wear their Releve Tank Top to rehearsals and wear the appropriate footwear for their style of dance. Dancers must wear their Releve Team Jacket to all performances and competitions.

If dancers do not already have these items, they will be required to purchase them separately.

Costumes

We will measure your dancer in the beginning of the season for costumes. Costs for the initial order are included in your tuition, however if there is a need for a replacement costume the additional cost will be the responsibility of the family.
