

Broadway Stars and Theater Company: Performance Dates

Because this is a full school year program, class does *not* end after the performance. Here is what to expect for the rest of the term:

- **Post-Performance:** If the schedule allows, we'll hold some fun game days right after the performance to celebrate all our hard work!
- **Winter Break:** We will take our scheduled break as planned.
- **After the Break:** We'll jump right back into class with an exciting **new show theme** for the second half of the year!
