Athletes are exposed to every category within cheerleading such as tumbling, jumps, technique and dance.</p>	<p>SUMMER SAMPLER (Ages 3-5) Children will learn, create, and socialize in an exciting classroom environment geared around summer fun. Activities, singing, games, and crafts are based on weekly themes custom-made for busy preschoolers. Children will enjoy hands-on experiences including arts and crafts, movement, music, and imaginative play.</p>
<p>POP & LOCK (Grades 2-4) Animation, tutting, and gliding are just a few of the popping variations you will learn in this exciting dance class! Pop and Lock is for dancers looking to sharpen their hip hop related techniques. Poppin' and Lockin' street styles help a dancer develop a sense of musicality and will increase body control. This fun and fast class will add to a dancers' repertoire and create a better freestyler!</p>	<p>CODER SCHOOL CODE CLASS (Ages 6-10) Code Class is an entry level program for the novice and younger (ages 6-10) coder. The Coder School Coaches use Scratch or Snap! to teach kids using their project-based game development curriculum that revolves around multiple games developed in either Scratch or Snap. This program is intended for students that have not had exposure to coding. Code Class is an introductory option prior to students moving to more personalized 2:1 Code Coaching offered at The Coder School in Highland Park.</p>
<p>NAMASTE TOT (Ages 3-6) Namaste! This is a supportive, fun-loving, and active yoga class for young children. Our little yogis learn physical skills such as strength, balance and flexibility through creative storytelling, playful exercises, and child-oriented meditations. Prior yoga experience is not needed to join this class. Yoga mats will be provided or you are welcome to bring your own.</p>	<p>ROOTZ SUMMER ADVENTURE (Ages 1.5-4 w/ adult) Each week there will be a designated location within 10-15 min. from the ROOTZ facility. Children, parents or caregivers will enjoy spending time together, making friends, exploring nature, building sand castles, and more. Our adventures include various destinations along with crafts, water play, bubbles, music and more.</p>
<p>BROADWAY BOUND (Ages 4-7) Come onstage for an introduction to musical theatre in Broadway Bound. Using teamwork, theatre games, technique exercises and imaginative play, we will work together to create a mini-musical for our families. This summer, we will visit the depths of the ocean and meet our underwater friends as we help to help a father fish reunite with his cute little orange baby fish!</p>	<p>LUNCH BUNCH (Ages 3-5) Extend your day! In addition to lunch, children will have the opportunity for free play and socialization. Pack a lunch and join in on the Lunch Bunch fun!</p>
